

CANADIAN JOURNAL OF RURAL MEDICINE

CJRM offers a unique perspective on rural medical care while complementing existing primary care journals. Under the direction of Scientific Editor Dr. Peter Hutten-Czapski, *CJRM* publishes research, practical information for rural practitioners, commentary on issues affecting rural physicians and debate on rural health policy. Established in 1996, *CJRM* is the official publication of the Society of Rural Physicians of Canada and is published 4 times per year (Winter, Spring, Summer and Fall).
