RURAL FAMILY PRACTICE PHYSICIANS

All Nations' Healing Hospital Fort Qu'Appelle, Saskatchewan

Our client, the All Nations' Healing Hospital, together with the community of Fort Qu'Appelle, Saskatchewan require two rural Family Practice Physicians. Located in some of Canada's most scenic and idyllic lake country the position is a best fit with those who recognize this as a unique opportunity to serve a special community and who would prefer the inherent lifestyle advantages and quality-of-life benefits of a rural Canadian setting.

The All Nations' Healing Hospital is one of the first health care facilities in Canada owned and operated by First Nation governments - 15 in total - and is located on reserve-on land dedicated to the 34 First Nations who signed Treaty 4. All Nations' opened in 2004 with a vision of providing a holistic approach to health care, and of being inclusive of all people and of the various ways in which different cultures provide and receive medical care.

In keeping with the philosophy of care that has been established in this deeply patient-centred environment, All Nations' has since become recognized nationwide as a very special place, unique in Canada, and as an agent of change in setting a new national model of community health care delivery. In every respect, from building design to health care service delivery the All Nations' Healing Hospital brings together a whole new perspective of what hospital care can be.
