INTERIOR HEALTH OPPORTUNITIES

ANESTHESIOLOGIST: BC - Cranbrook. The Rural Physicians for British Columbia are providing a one-time incentive payment of \$100,000 for a 3-year return of service for a permanent anesthesiologist for this 74-bed regional facility, serving a catchment area of approximately 80,000 people. Shared responsibility of workload within Anesthesiology Department. The hospital has on-site CT, US and traveling MRI, and offers internal medicine, obstetrics and gynecology, general surgery, orthopedics, ophthalmology, ENT, pathology, psychiatry and radiology. Hours of work are negotiable and the compensation is fee-forservice so open for discussion. Multiple incentives: recruitment incentive \$20,000; retention fee premium 14%; retention flat fee \$12,240; relocation reimbursement. Cranbrook is surrounded by stunning scenery and boasts the most sunshine of anywhere in B.C. with unlimited summer and winter activities. For more information contact: email physicianrecruitment@interiorhealth.ca or view us online at our Web site www.betterhere.ca -RM-292b

FAMILY PHYSICIAN: BC – Ashcroft. Ashcroft Hospital and Community Health Centre is a Level 1 Community Hospital with four emergency beds, 24 extended care beds, and one respite care. Ashcroft (population: 1,664) rests along the banks of the Thompson River, deep in the heart of British Columbia's desert country. The town is set amid a spectacular recreational environment where hiking, golfing, and fishing thrive. Remuneration is fee-for-service \$300-350,000+/-, plus rural retention incentives and on-call availability payment. Overhead is around 20% and the office has a fully integrated EMR. For more information email physician recruitment@interiorhealth.ca or online www.betterhere.ca —RM-318

FAMILY PHYSICIAN: BC – Chase. Also known as the Gateway to the Shuswap, this lakeshore town offers an abundance of recreational opportunities. Located between Kamloops and Salmon Arm, Chase is a full-service community. You will be part of a multidisciplinary team providing primary care within an established electronic clinic. Hours of operation are Monday to Friday 8 am – 4 pm and the clinic is conveniently located across from the Health Centre. The three physicians rotate an on-call schedule for the emergency department. Remuneration is fee-for-service \$250-350,000+/-, plus RSA incentives and on-call availability payment. For more information email physicianrecruitment @interiorhealth.ca or view online www.betterhere.ca

-RM-316

FAMILY PHYSICIAN: BC - Clearwater. Family physicians wanted to join the medical team in this beautiful community. Rural setting, relaxed pace of work, newer hospital, and an amazing provincial park as your backyard. Known for worldclass recreation, enriched culture, and vibrant community life, Clearwater offers the balanced lifestyle you have been looking for. Enjoy working in a single group practice with electronic medical records, a modern acute care facility, and a 21-bed residential care facility. Payment structure is fee-for-service plus multiple incentives: The Rural Physicians for British Columbia incentive provides a one-time incentive payment of \$100,000 for a 3-year return of service; recruitment incentive \$20,000; retention fee premium 21.14%; retention flat fee \$18,482.40; and relocation reimbursement. For more information contact: email physicianrecruitment@interiorhealth.ca or view us online at our Web site www.betterhere.ca -RM-281a

FAMILY PHYSICIAN: BC – Lillooet. Five-physician, unopposed fee-for-service practice seeks sixth family physician with ER skills. Clinic group focus is on balance of work and lifestyle. Easy access to lower mainland, Whistler and interior of province. Call currently 1-in-5. Regular schedule includes one week off every fifth week. Full Rural Physician Recruitment and Retention benefits eligibility, including 38 days rural locum coverage for holidays. World-class wilderness at your doorstep for skiing, hiking, fishing, whitewater kayaking and mountain biking. Full service rural hospital with GP Surgeon and Anesthetist on staff. For more information email physician recruitment@interior health.ca or view online at Web site www.betterhere.ca

-RM-282b

FAMILY PHYSICIAN: BC – Logan Lake is situated in the Heart of the Highland Valley; a pristine natural environment of mountains, lakes and forests. Logan Lake is a growing, progressive and family-oriented community. This is a full service family practice with acute care clinic coverage. We have a turnkey operation with Wolf EMR and no startup costs for a new physician. Also, only 60 km away is a tertiary level hospital, Royal Inland Hospital, Kamloops. Remuneration is fee-for-service \$300-500,000+/-, plus rural retention incentives and on-call availability payment. For more information email physicianrecruitment@interiorhealth.ca or view online www.betterhere.ca —RM-317

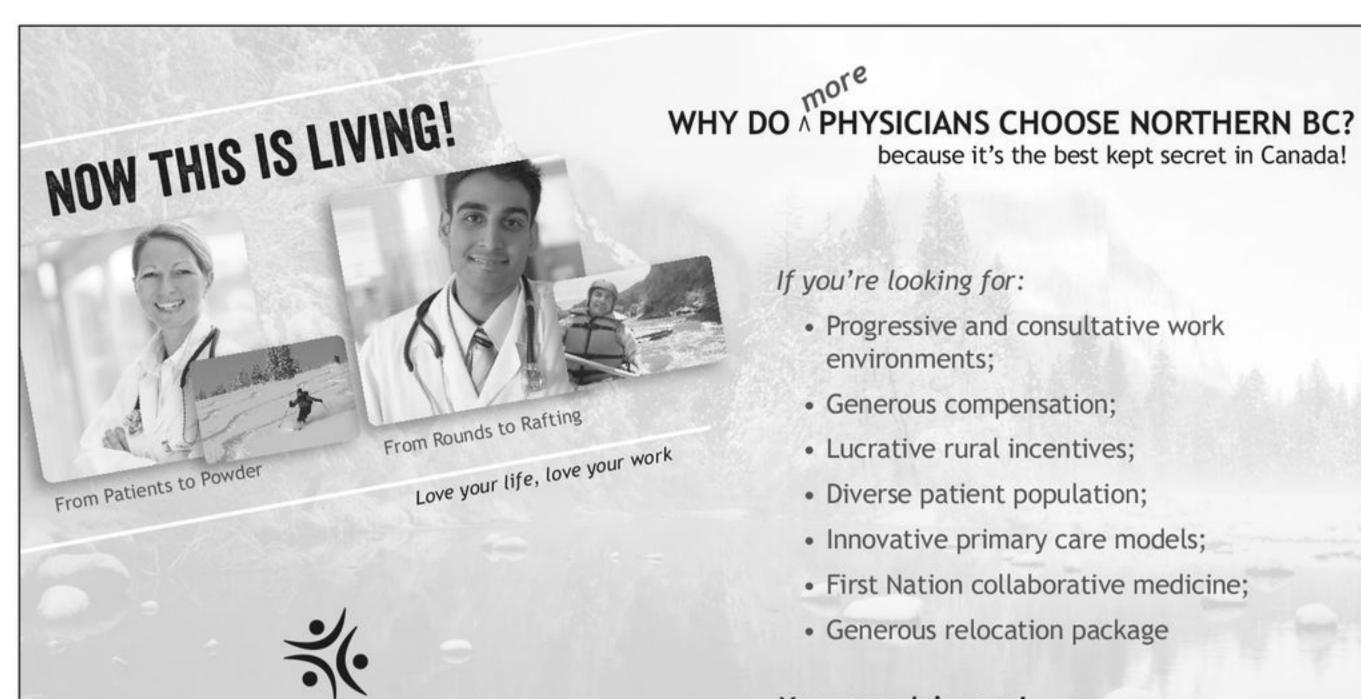

FAMILY PHYSICIANS: BC – Merritt. Rolling hills, sparkling lakes and over 2,030 hours of sunshine every year make Merritt a haven for four-season outdoor recreation. We have a need for family physicians in their choice of clinic. Nicola Valley Hospital and Health Centre is a 24-hour Level 1 community hospital with a 24-hour Emergency Room. Also, only 86 km away is a tertiary level hospital, Royal Inland Hospital, Kamloops. Remuneration is fee-for-service \$250-\$450,000+, rural retention incentives and on-call availability payment. For more information email physicianrecruitment@interiorhealth.ca or view online www.betterhere.ca —RM-311

FAMILY PHYSICIANS: BC - Nelson. The city of Nelson is seeking family physicians for their vibrant, active community. There are both part-time and full-time opportunities available in well-established clinics. With supportive colleagues to share the responsibilities of in-hospital patients, clinics operate with EMR systems, along with very efficient and friendly staff. Clinic physicians are very supportive to new colleagues establishing their practice and providing coverage for hospital inpatients. Specialist support is available at the local hospital, including internal medicine, ophthalmology, neurology and pediatrics, with additional services regionally. There is also the additional option of doing emergency room work and obstetric care. Room for growth! With its friendly people and scenic location among rivers, mountains, and lakes, the area offers a wide range of year-round outdoor recreational opportunities. Remuneration can be discussed when determining which clinic is a good match for you, plus multiple incentives: recruitment \$15,000; retention fee premium 11.62%; with a retention flat fee \$12,107.96. MEDICAL CHIEF OF STAFF

Looking for an opportunity to play a key leadership role in a progressive and growing community hospital located on the shores of Southern Georgian Bay just 90 minutes north of Toronto?

Georgian Bay General Hospital Fast Facts: "Exceptional Care, Every Person, Every Time"

- Is the result of the joining of two outstanding organizations both with long histories of providing health care services to communities in Southern Georgian Bay dating back to the early 1900s
- Serving a population base of 55,000, swelling to more than 150,000 for six months of the year when seasonal residents return
- A modern 116-bed hospital with campuses located in Midland and Penetanguishene
- ♦ A well-structured and collegial medical staff numbering 110 physicians
- Teaching affiliation with the Northern Ontario School of Medicine, a partner in the Rural Ontario Medicine Program

Services that include:

- 24-hour Emergency Department, experiencing 45,000 visits annually and currently undergoing a \$12.7M expansion
- Inpatient Medicine, Surgery and Obstetrics services
- Planned expansion of a 20-bed inpatient mental health and addictions unit
- 8-station Dialysis unit, Ambulatory and Palliative care services
- Regional Complex Continuing Care & Rehabilitation Programs
- · Diagnostic Imaging suite including, radiology, ultrasound, and CT
- Pharmacy and Laboratory services

Reporting to the GBGH Board of Directors, the Chief of Staff (COS) works closely with the executive and senior leadership teams – including the President & CEO, and the Vice President, Patient Care Services & CNE – to ensure the highest quality of medical care for the residents of Midland, Penetanguishene and surrounding area.

The ideal candidate will possess a progressive track record in medical leadership positions with a demonstrated appreciation for physician and multidisciplinary team challenges within the context of a medium-sized community based hospital and changing health system.

In addition, he/she must be eligible to practice medicine in Ontario and hold a Fellowship from the Royal College of Physicians and Surgeons of Canada (or equivalent) or Membership within the College of Family Physicians of Canada.

To explore this opportunity with us please submit your resume and cover letter by email to:

ONBREZ* BREEZHALER* The only ONCE-DAILY LABA in COPD®

Indication & clinical use:

ONBREZ* BREEZHALER* (indacaterol maleate) is a longacting β_2 -agonist (LABA) indicated for long-term, once-daily, maintenance bronchodilator treatment of airflow obstruction in patients with chronic obstructive pulmonary disease (COPD), including chronic bronchitis and emphysema.

 Not indicated for the relief of acute deterioration of COPD, for asthma, or for use in patients under 18 years of age

Contraindications:

Not indicated for treatment of asthma

Most serious warnings and precautions:

Asthma-related death: Increased risk of asthma-related death is considered a class effect with LABAs, including indacaterol maleate. ONBREZ* BREEZHALER* is not indicated for asthma.

Other relevant warnings and precautions:

- · Not indicated for acute episodes of bronchospasm
- · Increased risk of cardiovascular effects
- Caution in patients with cardiovascular disorders
- Caution in patients with convulsive disorders, thyrotoxicosis and patients who are unusually responsive to B₂-adrenergic agonists
- · Risk of hypokalemia and hyperglycemia
- · Paradoxical bronchospasm
- Immediate hypersensitivity
- Should not be used in patients with acutely deteriorating COPD
- Should not be used concomitantly with other LABAs
- · May inhibit labour
