"One of Ontario's highest points, the wild, inaccessible and dangerous Eugenia Falls sits 1400 ft above sea level, atop the Niagara Escarpment. I was impressed by nature in a winter sleep: monochromatic, but extremely rich in texture, tint and tone."

## SRPC AND THE ROUNDS

The Society of Rural Physicians of Canada is excited to announce its official partnership with The Rounds.

The Rounds has been built specifically for physicians in Canada. The platform is free for any practising physician, and the SRPC group (for SRPC members only) has been designed specifically for rural collaboration. The platform will allow us to have more engaging conversations, and for those subscribed to the listserv (RuralMed), it will offer a new and exciting place to engage with familiar peers. Signing into The Rounds will immediately connect you with thousands of physicians and surgeons.

The Rounds platform offers a wide range of member benefits. We encourage you to sign up and join the official SRPC group here: [www.therounds.ca](http://www.therounds.ca)
