## SRPC AND THE ROUNDS

The Society of Rural Physicians of Canada is excited to announce  
its official partnership with The Rounds.

The Rounds has been built specifically for physicians in Canada. The platform  
is free for any practising physician, and the SRPC group (for SRPC members  
only) has been designed specifically for rural collaboration. The platform will  
allow us to have more engaging conversations, and for those subscribed to the  
listserv (RuralMed), it will offer a new and exciting place to engage with famil-  
iar peers. Signing into The Rounds will immediately connect you with thou-  
sands of physicians and surgeons.

The Rounds platform offers a wide range of member benefits. We encourage  
you to sign up and join the official SRPC group here: [www.therounds.ca](http://www.therounds.ca)
