SRPC AND THE ROUNDS

The Society of Rural Physicians of Canada is excited to renew its partnership with Boondoc Technologies to deliver a customized clinical Community on The Rounds. The Rounds is a professional clinical network - developed in Halifax, Nova Scotia. Each month, over 5,000 Canadian physicians login to The Rounds to access new information, clinical content, and take part in expert-led clinical discussions.

The Rounds platform supports physicians and their associations by improving connectivity, association collaboration and providing a secure portal for information sharing.
