

# Always Keep Learning

Saegis, a subsidiary of the CMPA, offers practical and accredited online professional development for physicians.

- **Communication Skills Workshops**  
Strong interpersonal skills result in positive outcomes for both patients and providers, and reduce medical-legal risk.
- **Programs for Healthcare Teams**  
Effective teamwork and a healthy organizational culture improve safety, reduce negative outcomes and increase morale.
- **Online Education to Avoid Privacy Breaches**  
Cybersecurity and privacy e-learning is the best defence against a cyber-attack.
