OBSTETRICAL SURGICAL SKILLS

with UBC

The **UBC Family Practice Enhanced Skills Program** is pleased to offer 2 six-month residency positions in **Obstetrical Surgical Skills** at Surrey Memorial Hospital.

This program has recently been approved as a **Category 1 Enhanced Skills Program** by the CFPC.

Successful graduates will be eligible for a **Certificate of Added Competence** in Obstetrical Surgical Skills.

UBC | Enhanced Skills

To apply visit postgrad.familymed.ubc.ca/enhanced-skills-program/admissions/ and complete the online application form.
