

## Advanced Minor Procedures and Tendon Repairs for Rural/Emergency Physicians: Dec 13-14, 2017.

This course is run by Family Physicians for Family Physicians and is designed for the Rural and Emergency Room Physician who must deal with lacerations and hand injuries on an intermittent basis with little immediate Surgical Support. The Course will be heavily hands-on and will concentrate on:

- Allowing students to improve their Basic Suturing Technique
- Emphasizing the importance of initial wound care in the ER
- The initial Care of the Hand Injury
- Introduce the students to more advanced techniques of wound closure in the ER, including flaps and finger-tips injuries and v-y closures

	<b><u>Wednesday , December 13, 2017</u></b>	
19:00-20:30	<b>Nerve Blocks</b>	Conleth and Brett
	<b><u>Thursday, December 14, 2017</u></b>	
8:10-8:30	<b>Welcome + Orientation</b>	Gordon
