

Society of Rural Physicians of Canada
27TH ANNUAL RURAL AND REMOTE MEDICINE COURSE
Halifax Nova Scotia • Halifax Convention Centre
APRIL 4 - 6, 2019

SESSION 292

Oral Research Presentations - Fresh Approaches

Research examining new ways to deal with medical problems.

1. Providing Orthopaedic consultation to Long-Term Care residents via Telemedicine.
2. A Modified Colorectal Cancer Screening Program in a Remote Rural Hospital for High Risk Populations of Undetermined Genetic Significance.
