

R&R—HALIFAX—2019

Workshop on Collaboration and Efficient practice.
Faculty—members of the Tignish Collaborative
Family Practice, PEI.

Intro—setting the scene.

Collaboration—what is it? What's the point? Why
bother? Does it even work?

The Tignish experiment.

Support your local physician.

Audience—for/against/not sure/not interested?

Audience—aims/objectives—yours and ours.

Let a thousand flowers bloom! Constant
innovation. Suck it and see.

What have we achieved so far with collaboration?
Our stories/your stories; the Tignish MSK service;
photo/video montage—"today's been a hell of a
week."

Collaboration at a distance—importance of a
good EMR.

Delivering care to the patient at the right time, in
the right place, using the right provider at THE
RIGHT PRICE.
