

SUBMISSIONS FOR THE RURAL RESEARCH POSTER PRESENTATION

The rural research poster session will be presented at the Society of Rural Physicians of Canada's Virtual Rural and Remote Medicine Course in April 2021.

Poster proposals must include a clear research purpose, objectives, methodology, summary of the research results and conclusion. We will judge the posters on rural relevance, research methodology, impact, clarity of presentation and your ability to answer questions. We will display research posters digitally.

The best student/resident research poster will win a cash prize of \$500

RULES

- Students and Residents must be a member of the SRPC.
- The deadline for submission is January 7th, 2021
- Format: PDF or Microsoft Word
- Please submit your proposal to rsubmissions@srpc.ca.
