

Family Medicine with Obstetrics Opportunity Manitoulin Island, Ontario

Noojmowin Teg Health Centre in partnership with Little Current Medical Associates is currently recruiting for 1 FTE Family Physician with low risk Obstetrics. The successful candidate will work within a multidisciplinary team and will work in multiple health care clinics across the communities on Manitoulin Island.

Practice Requirements:

- Low Risk Obstetrics to ensure the continuity of obstetrics within our group
- Collaborative Practice in partnership with Noojmowin Teg and Little Current Medical Associates
- Knowledge and interest in health issues affecting Anishinabek people

Practice Includes:

- Equitably divided HOCC call schedule at the Manitoulin Health Centre
- Teaching and Research opportunities with the Northern Ontario School of Medicine

Compensation and Incentives Include:

- No overhead costs, and OBS complimentary billing
- Community eligibility of \$109,920 grant (Northern and Rural Recruitment and Retention Initiative), paid over four years by the MOHLTC
- HOOPP Pension and 100% Health Benefit Coverage
- Relocation assistance

The successful candidate will work within an aboriginal community-based primary health care environment that is committed to holistic and comprehensive care through both traditional and western healing methods.

Our positive work environment includes both primary and health promotion professional staff (Nurse Practitioners, Psychologists, Mental Health & Addictions, FASD New Beginnings, Dietitians, Child Nutrition, Children's Recreation, Diabetes Wellness and Traditional Health Services) working in collaboration with First Nations and the area Family Health Teams and physician groups in an enhanced circle of care.

This employment opportunity offers a unique work experience for a professional interested in working in a rural setting (yet close to urban amenities) and who would have interest in participating with a team that addresses the health care of First Nation and aboriginal populations. The Centre offers a competitive salary and benefit package.

The successful candidate will hold a Medical Degree with Obstetrics and completion of a Family Residency program from a recognized University, and in good standing with the College of Physicians and Surgeons of Ontario.
