

Family Medicine Opportunity Mindemoya, Ontario

The Manitoulin Central Family Health Team (MCFHT) and the Manitoulin Health Centre (MHC) are seeking a family physician to join their experienced health care team. With a progressive practice and generous incentives, you and your family can enjoy all that Manitoulin has to offer.

Practice Includes:

- 37 days of locum funding through HealthForceOntario (HFO) and the Ministry of Health and Long Term Care (MOHLTC)
- Equitably divided on-call schedule at the Manitoulin Health Centre

Compensation and Incentives Include:

- Rural and Northern Physician Group Agreement (RNPGA) funding model salary
- On-call remuneration approximately \$105/hr
- Community eligibility of \$113,200 grant (Northern and Rural Recruitment and Retention Initiative), paid over four years by the MOHLTC
- \$5,000 in relocation assistance
- \$5,000 signing bonus from the Municipality of Central Manitoulin
- 3 months free rent for office space
- Northern Physician Retention Initiative is available after 4 years of full-time service.

*All programs, incentives, and rates are subject to change according to the MOHLTC.

Our congenial group of 5 physicians currently has an opening for either one (1) full time or part time physician within a RNPGA1 salaried model. A combination of clinical and emergency services make this an interesting opportunity for a rewarding practice experience.

On-call at our 14 bed local hospital will be 1 in 6 (at full complement), remunerated separately via sessional and HOCC funding. This is a very cooperative team, working in an integrated model with the Manitoulin Central Family Health Team (FHT). The FHT offers the services of Nurse Practitioners, Registered Nurses, Health Promotion, Dietetic, Pharmacy, Physiotherapy, Social Work, Traditional Healing and Psychiatry.

The Team provides preceptor teaching to the NOSM, University of Waterloo and Laurentian University, as well as a supportive environment that prioritizes CME for the group. In addition, Monday-Friday daily joint rounds provide an interactive opportunity to discuss care planning for hospital in-patients, emergency and office patients with a interdisciplinary team.

Manitoulin Island is renowned for its beauty and recreational opportunities, in particular, kayaking, boating, sailing, camping, fishing, cycling, hiking, cross country skiing and snowmobiling. Its natural beauty and numerous small lakes make it a sought-after recreational destination.
