

International Medical Graduates Regional Resources

Regional Health Authorities in Canada

If you are an International Medical Graduate (IMG) and are looking for advice on how to re-locate to a rural or remote part of Canada, we encourage you to visit the [regional pages](#) and review the links below. While we strive to keep the links current, we are not responsible for the content or changes on each site.

[Medical Council of Canada's](#) site provides essential information for students and graduates who want to practice medicine in Canada. Log in to apply for the Medical Council of Canada exams, submit your credentials for verification and take other steps toward entering Canada's medical profession.
